GOOD FEELING

Good Feelin
Such a Good feelin
Everything will be alright
Baby if you want me
Call my name and I'll be there
if you really need me.
Such a feelin, baby
Just about to loose my mind
Such a good feelin, baby
Such a good feelin.

American flag and sophomore float once again stand for victory

Despite the tremendous show by squires during Homecoming week, we lost the game to Northwood, 48-0. But it didn't dampen the spirit developed during the week. Releasing caged pigeons from the French Club float began the largest Homecoming parade for MHS. Eight clubs and four classes displayed floats on the parade route, relieved that entries were done in time for the parade. Sophomore class and SSS club received float trophies to the general theme " '61 to '71." Breaking a tradition since 1963, a junior became Homecoming Queen. Judy Hall, "didn't think I'd get it" was "shocked" that she had won. The dance was held at the school, with music by December's children. Cafeteria was so filled with alumni and students that dancers "had to fight to find a place to dance." After two weeks of working, Homecoming '71 ended Oct. 5, 1971.

The biggest thing for this year's Seniors was the law passed that 18 years olds can vote. Terry Holloway is peparing to do just that.

Debra Bucher is working in the food service of the new vocational school.

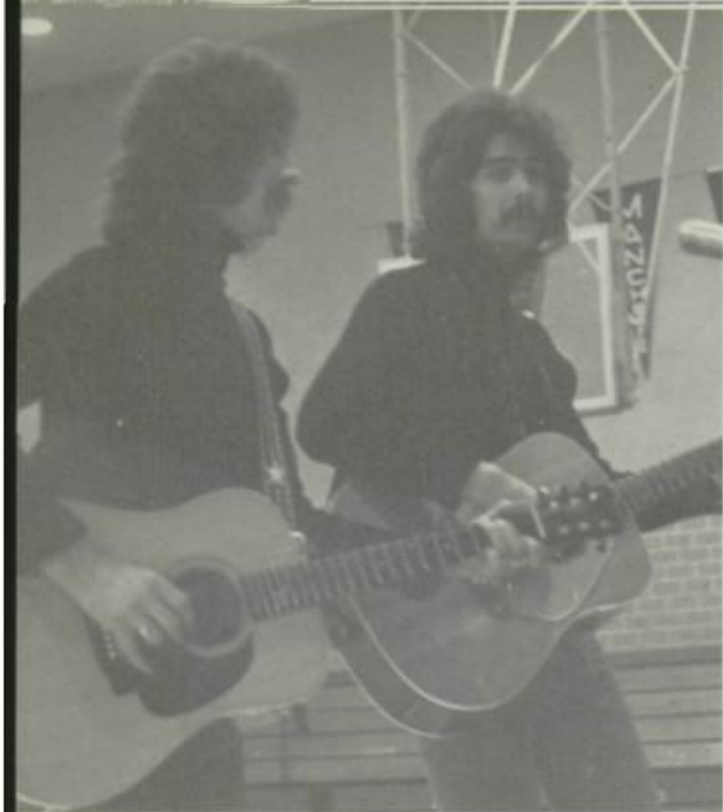

Lis Lewis is this year's Jr. Miss. Her talent playing an original piano piece.

Lizzi Lewis, N. Manchester's Junior Miss with her usual good morning smile.

A typical Senior at Manchester is made up of such activities as the fish fry, Senior trip, government and English classes, Junior Miss contest, Commencement preparations, and general goofing off.

Some of the comments and questions of Seniors are: "Have you found a job yet?" "There's a government test today?!" "Ge whiz Kenton", and "I'll be glad when this year is over, I'm sick of school." In many ways the 1972 Seniors were typical. Most were eager for school to end. Some wondered what they would do after graduating.

The Seniors were also consistent. They placed third in the float competition, magazine sale, and sectional poster contest.

Some of the highlights of the Senior year were the government trip to Indianapolis, going across the school parking lot at 30 Mph, canvassing the town for the fish fry with only eight people, and watching the underclassmen win the different events.

Playing games in grassy fields
 the forty-year-old child
 the twelve-year-old adult
 and somewhere in-between
 We are left holding the stems
 Of flowers in summer
 long trodden over
 our new roots emerging
 twisting while heads struggle
 to break the earth and surface
 We don't care how many
 springs it takes.
 We have the time
 to wonder just how we
 are going to fit in this
 complex puzzle of life
 and where.
 Just keep the good feelings.

UNDERCLASS

REVOLUTIONISTS — JUNIOR

(L-R) Mrs. Holsinger, Mrs. Shull, Mrs. Bales. (L-R) Mr. Jones, Mr. Johnson, Mr. Metzger

(L-R) Pres. Dave Fedewa; Treasurer Sally Messer; Secretary, Jan Miller; V. Pres., Laura Ihnen; Reporter Prue Strain

The Junior class is better than ever. You will find us hard to beat around Homecoming time. First and second place in the float contest and having the only junior Homecoming queen Judy Hall, since Cindy Ireland is something to take notice of.

The Juniors have also come through when it comes to athletics. Many a starting line-up has been filled with the shoes of a Junior. But our guys aren't our only athletic. There's the GAA basketball team which is overpowered by the Juniors. Out of 5 cheerleaders, 3 positions are held by juniors.

By many of Junior's speech team records, you'd think we had a big mouth. The fact is

we do, but we do know how to use them.

This year's lead in the play is Jan Miller naturally a Junior.

For the past two years we have come in second in the poster contest at sectional time. Lynn Knecht and Amy Vollmer went to state in gymnastic competition. Also going to state for the past two years is Norm Hudson with his great wrestling ability.

You can tell by the way we act the Junior class is really quite intelligent. We have our great record for selling magazines. For the past 3 straight years we've come in number 1 in that contest and the Junior class is a sure.

Two Mc's, Jan McFarland and Margie McBride, say cheese as they walk to their next class.

The class of '74 will continue their education but some will look back on their sophomore year as a good one. Many sophomores received their class rings, and licenses. With team spirit, they won the Homecoming float competition and were second in magazine sales. Some will remember Scott Eberly's Christmas party; when J.V. Basketball players became Varsity; and of course, when Mr. Underwood grew a mustache.

This year's Freshmen, better known as "hey you" have shown their school spirit by coming in a close third in the annual magazine sale, also placing an outstanding fourth in the float competition with their "big foot". But to make up for this, the freshmen won the "Victory stick" for their hall during sectional time.

Some teachers helped define the best quality Freshmen have. One said, "They work together as a class"; another thought they had a good attitude and they were a pleasure to work with. But then in three years, one never knows what to expect from the class of '75.

SQUIRES HAVE LOSING SEASON

Fight on Manchester High... The beginning of a football game. The Squires passing, blocking, and tackling. The game is over—a SQUIRE victory!

Long hours and hard work was the schedule for the football team this year, averaging 2 hours of practice a night. With Mr. Enyeart and his assistants' spirit and the players' enthusiasm; they fought in every game to the last second of play. Although they were only able to win one game this year, they never gave up.

Tackle trophy—Randy Young. Most valuable lineman—Steve Simms, Legion Loyalty—Rick Day, Rotary Mental Attitude—Steve Betten.

As Rick Day gets prepared to head onto the field Coach Enyeart whispers, "Try it you'll like it."

KEIM 1ST POSITION

Rain and snow haven't kept 3rd man Thom Frantz from practice.

Tennis isn't a sport that can be picked up with a few weeks of practice. In order to be good, tennis players have to practice all year, not just when the season comes. The team is made of five players. In a match, each player is in one singles game. Then four of the players pair to make two doubles teams. There is a possible score of seven points: one point for each singles and doubles game won. Charles Keim held the number one position through the season.

It was a hard season for Coach Merritt and the varsity Squires. After a slow start, a disaster hit and several players were suspended from the team. But on came our J. V. team to help out, which proved that we could do alot with a young, inexperienced team by winning our first game in the sectional. Although we were defeated in our second game we still feel we gained alot.

Coach Rogers

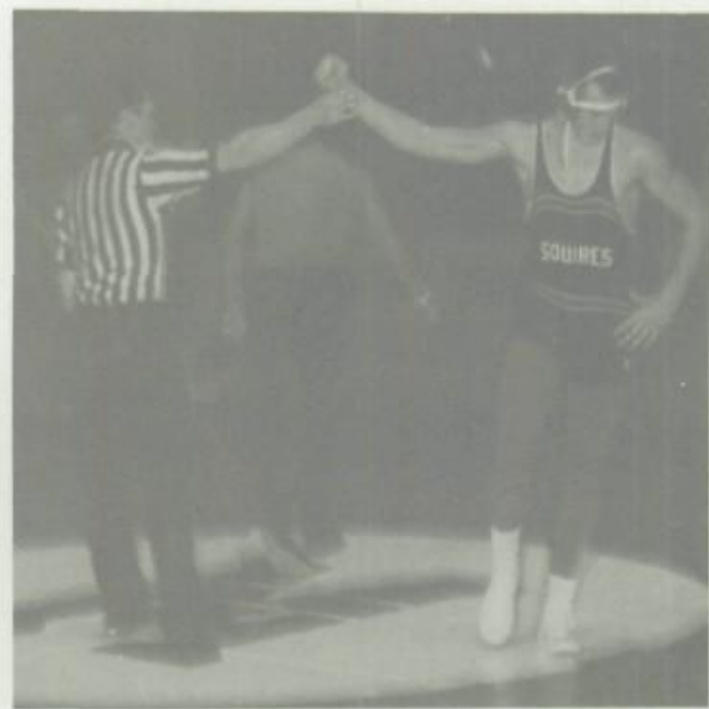

This year the increase in fans seemed to boost the spirit of the wrestlers. The team was plagued with injuries. In spite of several varsity wrestlers being injured Manchester sent six men, Lahr, Smith, Hudson, Frantz, Eberly, and Overmyer, to the regional. From there gave Lahr and Norm Hudson advanced to the state tournament, the first time we have advanced two.

STUDENT COUNCIL; M.H.S.

STUDENT GOVERNMENT

Promising to improve the school parking lot, Tom Slack was elected President of the Student Body for 1971-72. The school board approved \$1000 to be spent on leveling and graveling the lot. The council planned Homecoming events and they were responsible for the Student Exchange program where Rochester and Manchester Students visited each other's schools for a day. A contribution to the renting of a student coke machine. The council also ran the snack bar, and painted curbs around the school.

Each morning President Tom Slack brought us the M.H.S. news.

FBLA:

Future Business Leaders of America is a club which gives students an idea of what the true business world is like. For example, the first meeting held this year was initiation and relays and charades took up most of the evening. With refreshments following, the business world began looking better for most MHS students.

One evening meeting was set aside as Career Night in which students and people active in the business life in our community took part.

Forty-four members of the club attended the state FBLA convention in Muncie and two went on to the national convention during the summer in Texas.

TEACHING AND HEALTH;

FUTURE CAREERS

Future Teachers of America started the year with a party for all old and new members at Marsha Snell's. FTA also had their annual Teachers Observation Day, where all members go and observe teachers of their choice, at work. FTA sponsored Teacher Appreciation Day, giving flowers to all the teachers and providing snacks in the teacher's lounge. The year was ended with a pot luck supper and awards were handed out. Health Careers' is a service club for girls and

boys interested in occupations in the broad field of medicine. Members give a yearly party at Logansport State Hospital, work as volunteers on Saturday at Wabash Hospital and assist Tri Kappa with their Christmas project. Other members work in the nurses' office during the school day to earn more points toward an "Hours of Service" pin. The sponsor is Mrs. Belinger, school nurse.

READ ABOUT M.H.S.

This year the Scroll was headed by two juniors, Jaira Scoles and Carol Ridenour who combined hard work and helpful staff into the most successful school newspaper in several years. Jaira attended journalism classes for high school editors at Indiana University during the summer before she took over as a co-editor. She came back

loaded with ideas for a better paper and she and Carol put them into use.

During 1972-73 the paper will be produced in cooperation with a journalism class being offered during the first semester as part of the new English electives.

SQUIRE CRIERS HELP SET THE STAGE FOR "THE MUSIC MAN"

Thespian Troupe 2170 spent several of their regular meetings on impromptu acting and pantomiming. Other subjects to act on were, going to the circus and shoplifting. Meetings were also centered on facial expressions, make-up techniques, and voice dialect.

Early in February, the cast was selected for the play "The Music Man". The play was given in April. A cast party followed the performances.

The troupe, an honoray organization, requires interested persons to work 100 hours before becoming a member. Every year the troupe gives a "Best Thespian" award to the senior boy and girl who worked the longest. This year, Jane Spencer and Carl Sommer received the award.

SPEECH HAS SUCCESSFUL YEAR

The speech team is not just speaking, it's meeting students from all over the state and learning about yourself — discovering limitations and gaining confidence. "Confidence" is the word this year, with the speech team holding top ratings of first to third through the entire 71-72 school year. Out of the 246 Indiana schools participating, the Manchester speech team held "first in state" for eight weeks. There were 71 members on this years speech team.

National Forensic League is an honorary speech club. To qualify, one must earn 25 points, mostly at speech meets. By the end of the 71-72 speech season, the Manchester speech team included 54 NFL members.

MAJOR WINS

1. Central Indiana Forensic League Conference speech champions.
2. Indiana H.S. Forensic Association Sectional champions.
3. National Forensic League Northern Indiana District Champions.

Mr. Nordmann explains the ins and outs of judging speech meets.

For the first time the NFL chapter here named an honorary team member — a person whom the team feels made contributions to the success of the team. Mrs. A. Gary Nordmann was made an honorary member of the chapter. Mr. Nordmann was given a roll-top desk reconstructed by club members.

MHS SCIENCE, MATH CLUBS GAIN NEW KNOWLEDGE

Science Club: Early in March, three members of the Science Club entered the local science fair. Rick Hoover, Jeff Bolinger, and Doug Doster won awards for their entries. Later in March, Doug went on to compete in the regional science fair. In April members of the club helped to select foliage for the use of landscaping the school.

A field trip to Manchester College and a plan for its expansion was on the Math Club's agenda this year. Members went to the college computer center to observe computers in action. Work has done at the end of the year in having a combination of the Math and Chess Clubs for next year. Chess Club met once a week and gave students a chance to improve on their game.

FARMERS OF TOMORROW; WIN AWARDS IN 1971-72

The purpose of the F.F.A. during the past year has been to get as many of the boys as possible active in the club through both practical experience and recreational activities. Some of their community projects this year have been the judging contest for the students, garden seed sales and Christmas tree sales. The money-making projects included making 80 acres of hay and 40 acres of corn. Many of the club members also participated in soil, crops, dairy, and live stock judging contests.

Tom Slack placed first in swine judging.

Kathy Werkman was the best judge of Dairy cattle.

In Harrisburg Pennsylvania at the Dairy Judging All-American, Manchester's team placed third with Gale Lahr taking an individual third.

FRENCH CL. DINES IN FT. WAYNE

The French Club started the school year with the building of a Homecoming float, having the theme of "We Shall Overcome." Meetings were spent in planning the float, which was a combination of the Eiffel Tower, the Arc of Triumph, and a few pigeons. Besides developing their skills in float building, the French Club enthusiasts also developed language skills in float building, playing games and listening to records. Games such as *voici*, (a french version of bingo) and the record version of "Peter and the Wolf" in French. The Biggest event of the year for the club was International Night at the Heritage House in Fort Wayne. Where they enjoyed French food and music.

SPANISH CLUB WINS AT TAYLOR U

MARSH PLAYS AT BANQUET

The field behind Mr. Arthur Boyer's house was the setting for many of the Spanish club's activities. While some members roasted hot dogs and marshmallows in front of the bonfire, others bruised themselves in games of tackle football. An initiation for new members was also held there. Two big events of the year were the banquet and the Spanish Field Day. The banquet was in the high school cafeteria, Mexican food was eaten, and Randy Marsh played his guitar, and a spanish version of the play "Little Red Riding Hood" was performed. The Spanish Club's Field Day, was held at Taylor University, turned out to be a successful day for M. H.S. students. Those who participated in competition along with the pintas won many honors. The club came back with three trophies.

Randy Marsh entertains the Spanish club with his guitar.

MHS ART CLUB: COLORED OUR WORD

The Art Club of the 1971-72 year accomplished many things. For the Homecoming Parade the club members built a nine foot Squire Football Player. The club also built two displays for Key Parmacey, one at Christmas time, the other for St. Patricks day. In March Art Club and FBLA combined in sponsoring a dance in the gym. Profits from this dance were used for a field trip to Chicago's Art Institute. This years Art Club has set high goals for next years members to reach. Goals which will improve the Art Club and its activities in future years.

Mrs. Wagner, sponsor for the Art club, spends many hours helping the club with its activities.

KEY CLUB: "ENRICH MAN'S EXISTENCE"

"Enrich Man's Existence" was this year's Key Club International theme. The North Manchester Key Clubbers spent many long hours serving their school and community around this theme, by sponsoring after-game dances and being responsible for the raising and lowering of the flag. The members (high school sophomores, juniors, and senior boys) spent a cold morning this winter unloading a truck load of fruit to be sold for the Day-Care Center.

Each year during the last months of the school year, the Key Clubbers hold a State Convention. This year's convention was in French Lick, Ind. The state officers for next year were elected. The Key Club International is a self supporting, service club affiliated with the Kiwanis Club.

SSS. SOCIETY WORKS TO HELP

"OTHERS"

The Sunshine Society has always worded to promote their motto "others" by providing teachers, students, and members of the community, with special activities. With programs such as those for Timber crest and Peabody Home, county Farm, Riley Fund, and many other activities, members attempted to bring a little Sunshine into other peoples' lives. Students found themselves going back through history with the theme of "Good Times Gold Mines" for the prom. Miss Lisa Longenecker was crowned the 1972 SSS Queen. The over all theme of Sunshine this year is "I am an American". Members find various ways to carry out this theme through out the year in meetings, various programs, and decorations. The year money making project this year, as in those before, was the annual candy sales, and was very successful. All of its projects required much organization and hard work by many people. In all, SSS proves that it is a club with a goal, caring about others.
